

## DEPARTMENT OF MEDICAL ASSISTANCE SERVICES EMPLOYMENT OPPORTUNITY

This Agency is charged with ensuring proper **MEDICAID** services to qualified recipients. Please visit our website and the Commonwealth of Virginia's website referenced below for additional information and qualifications.

### CHIEF SOLUTIONS ARCHITECT

Role Title: Information Technology Manager I

Position # 00398

Pay Band 6, Level III - Hiring Range: \$54,580 - \$105,000

**Closing Date: August 4, 2014**

Information Management Division has an exciting opportunity for a system professional to be the division's Chief Solutions Architect and work with DMAS end users, management, various vendors, and other State/Federal/Local agencies and define/execute the roadmap for next generation applications for the agency. Candidates must be well-versed in SOA, MITA 3.0, HL7, CMS seven conditions and standards for new development, highly configurable rules engine technologies, leading web technologies and tools, portal development, security and authentication, ECM, workflows, relational databases and its alternatives and SDLC methodologies. This position is responsible for advising the agency with variety of solutions and recommendations for any given business requirements. This position will also be responsible for managing state and contract staff who are involved in development of applications outside of the MMIS contract. Interested applicants must have considerable experience in Medicaid system design, development, conversion, and testing with a working knowledge of computer programming. This position requires thorough knowledge of both standard and agile SDLC methodologies. Must have proven ability to design, develop, and test solutions for complex problems while meeting user and agency needs. Requires demonstrated ability to work independently and communicate effectively with all levels of an organization. Must have demonstrated ability to effectively manage personnel and lead teams in meeting divisional and organizational goals and objectives. Degree from accredited college or university with major coursework in business management or computer science is preferred; advanced degree in information or business management or computer science is strongly preferred. Equivalent work experience or training may be substituted.

### ONLINE STATE APPLICATION REQUIRED

Resumes will not substitute for state applications. DMAS will only accept online applications submitted through the Recruitment Management System (RMS) by 5:00 p.m. on the closing dates referenced above.

**FAXED, E-MAILED, OR PAPER APPLICATIONS WILL NOT BE ACCEPTED**

Receptionist: 804-786-5408, TDD 800-343-0634
